

Bibliography Alan M. Fudge DVM, Diplomate ABVP-Avian Practice

- Antimicrobial therapy in avian medicine. *California Veterinarian* 1981, 35 (10): 25-29.
- Avian Antimicrobial Therapy, Proceedings of the Association of Avian Veterinarians, San Diego, 1983:162-183.
- Avian Bacteriology, Mycology, Chlamydophilosis, Virology- American Board of Veterinary Practitioners, Specialty Seminar, Manhattan Beach, CA, May 2002
- Avian Blood Panel Interpretation, 5th European Congress of AAV, Pisa, Italy May, 1999
- Avian Blood Sampling/Artifacts, Avian Blood Panel Interpretation; Avian Clinical Cytology and Hematology, Nippon Animal Hospital Association, Japan, Feb-March 2002
- Avian Clinical Biochemistry, Avian Clinical Cytology, Chlamydiosis, and Avian Microbiology (chapters in) *Diseases of Caged and Aviary Birds*, Rosskopf, WJ Jr. and Woerpel, RW Eds., [Williams and Wilkins](#), Malvern PA, 1996.
- Avian Clinical Cytology, Practical Lab, Proceedings of the Association of Avian Veterinarians, Houston, 1988:291-294.
- Avian Clinical Hematology and Cytology Practical Lab, Association of Avian Veterinarians, 1997.
- Avian Clinical Hematology and Cytology, University of Wisconsin, School of Veterinary Medicine, April 2002
- Avian Liver Disease- Royal Dick School of Veterinary Medicine, Edinburgh Scotland, May 1997.
- Avian Medicine and Diagnostics, Western Veterinary Conference, Las Vegas, February 2000
- Avian Medicine, American Animal Hospital Assoc. Vancouver BC, 1986
- Avian Medicine, Utah Veterinary Medical Assn, Salt Lake City, UT 1986
- Avian Medicine, American Animal Hospital Assoc. Washington DC 1987
- Avian Hematology, Identification and Interpretation, Practical Lab, Proceedings of the Association of Avian Veterinarians, Seattle, 1989:284-292.
- Avian Clinical Pathology-Hematology and Chemistry, in *Avian Medicine and Surgery*, Altman, RB, Quesenberry, K, Dorrestein, G, and Clubb, S, editors, [WB Saunders Co](#), Philadelphia, 1997, 142-157.
- Avian Medicine/Diagnosis, Australian Chapter of Association of Avian Veterinarians, Canberra, Australia, October 1998
- Avian Bacteriology, Mycology, Chlamydophilosis, and Virology, Nippon Animal Hospital Association, Japan, Feb-March 2002
- Avian Post-Purchase Workup, 2nd European Conference of AAV, March 1993, Utrecht, The Netherlands, 341-355.
- Avian Practice Tips, Avian Vaccines, and ELISA Testing for Avian Chlamydiosis (chapters in) *Veterinary Clinics of North America, Small Animal Practice*, [WB Saunders Co](#), Philadelphia, November 1991:1121-1134, 1181-1188, 1273-1281.
- Blocking Antibody ELISA testing of pet birds: implications for chronic infections, Tully TN Jr, Guest Ed, (Chlamydiosis) *Semin Avian Exotic Pet Medicine*, 1993 2:167-170.

Blood Testing Artifacts: Interpretation and Prevention, Spenser, EL Guest Ed, (Clinical Pathology), Seminars in Avian and Exotic Pet Medicine, 1994 3:2-4.

Clinical application of Chlamydia ELISA procedure Proceedings: VII. Tagung uber Vogelkrankheiten, Munich, March 1990.

Clinical Application of Laser Flow Cytometry to Avian Hematologic Analysis, Proceedings, Association of Avian Veterinarians, Philadelphia, 1995:17-19.

Clinical Aspects of Avian Pseudomonas Infections, Proceedings, Association of Avian Veterinarians, New Orleans, 1992:141-155.

Clinical Biochemistry, Cytology, and Microbiology, American Board of Veterinary Practitioners Avian Review Course, Chicago, June 1996.

Clinical findings in an Amazon parrot with suspected lead toxicosis. California Veterinarian 1982, 36 (5): 23-25.

Clinical Pathology-Hematology and Biochemistry, in Shane, S and Tully TN Jr. Eds., Ratite Medicine and Surgery, [Krieger Publishing Co.](#), Melbourne FL, 1996:113-121.

Clinical observations with Avian Chlamydial Infections, Proceedings, Association of Avian Veterinarians, New Orleans, 1992:48-58.

Clinical Pathology and Clinical Parasitology in Forbes, NA and Altman, RB, Eds., Self-Assessment Colour Review of Avian Medicine, Manson, London, 1998.

Cockatiel Medicine Master Class, Association of Avian Veterinarians, Monterey, CA August 2002

Common Medical Conditions in the Cockatiel, (*Nymphicus hollandicus*), 1st European Conference of AAV, 1991, Vienna, Austria, 351-356.

Cockatiel Medicine, Australian Chapter of Association of Avian Veterinarians, Hobart Tasmania, Australia, September 2001

Cutaneous and Systemic Tuberculosis in a Grey-cheeked parakeet (*Brotogeris pyrrhopterus*), Proceedings of the Association of Avian Veterinarians, Miami, 1986:215-218.

Cytology, Hematology, Chemistry, ABVP Specialty Review Course, Dallas TX, June 1999.

Dermatological conditions seen in avian practice. California Veterinarian 1987, 41 (5): 9-10, 12.

Diagnosis of Avian Chlamydial Infections Using Enzyme Immunoassay Techniques, Proceedings, Association of Avian Veterinarians, Phoenix, 1990:263-269.

Diagnosis of Avian Chlamydial Infections in the Avian Patient, A Review, J. Avian Medicine and Surgery, Sept. 1997.

Diagnosis and Treatment of Avian Liver Disease, 2nd European Conference of AAV, March 1993, Utrecht, The Netherlands, 164-170

Differential Diagnosis and Management of Avian Dyspnea, Proceedings Association of Avian Veterinarians, Nashville, 1993:187-195.

Differential Diagnosis and Management of the Septic Avian Patient, Proceedings of the Association of Avian Veterinarians, Boulder, 1985:109-114.

Experience with Avian Vaccines, 1st European Conference of AAV, 1991, Vienna, Austria, 203-211.

Ferret Laboratory Diagnosis, Nippon Animal Hospital Association, Japan, Feb-March 2002

Giardiasis, Syndromes, Diagnosis and Therapy, Proceedings of the Association of Avian Veterinarians, Miami, 1986:155-164.

Hamster, Guinea Pig and Primate Laboratory Diagnosis, Nippon Animal Hospital Association, Japan, Feb-March 2002

Koi Laboratory Diagnosis, Nippon Animal Hospital Association, Japan, Feb-March 2002

Laboratory Medicine: Avian and Exotic Pets (textbook), Editor. WB Saunders, 2000

Master Classes- Blood Panel Interpretation; Avian Hematology and Cytology, Association of Avian Veterinarians Annual Meeting, St. Paul, MN, August 1998.

Master Class- Diagnosis and Treatment of Avian Chlamydial Infections. Association of Avian Veterinarians Annual Meeting, New Orleans LA August 1999

Parasites of Caged Birds, in Diagnostic Parasitology for Veterinary Technicians, American Veterinary Publications, 1991:239-256.

(Co-author) Preliminary Evaluation of a Case; Differential Diagnosis Based on Clinical Signs(pg 101-152), Diagnosis to Consider from Hematologic Results (660 -661) in Harrison, GJ and Harrison, LR, Eds, Clinical Avian Medical and Surgery, WB Saunders Co, Philadelphia, 1986.

Psittacine Vaccines, Proceedings, Association of Avian Veterinarians, Phoenix, 1990:292-300.

Psittacine Liver Disease, an Overview, 4th European Conference of AAV, 1997, London

Pulmonary artery aneurysm and polycythemia with respiratory hypersensitivity in a Blue and Gold Macaw (*Ara arauna*), 2nd European Conference of AAV, March 1993, Utrecht, The Netherlands, 382-387.

Rabbit Laboratory Diagnosis, Nippon Animal Hospital Association, Japan, Feb-March 2002

Reptile Laboratory Diagnosis, Nippon Animal Hospital Association, Japan, Feb-March 2002

Update on chlamydiosis, in Veterinary Clinics of North America, Small Animal Practice 1984. 14 (2): 201-221
